**60%** Reduction in administrative tasks

**3x** Improved distributor retention

# Selection Process and Best Practices

1

## Define Requirements

- ✓ Business needs
- ✓ Compensation plans
- ✓ Core features
- ✓ Budget planning

Know your plan first

2

## Research & Compare

- ✓ Review aggregators
- ✓ Vendor websites
- ✓ Real reviews
- ✓ Feature comparison

Evaluate thoroughly

3

## Test & Demo

- ✓ Request live demos
- ✓ Test UI/UX
- ✓ Check mobile apps
- ✓ Evaluate support

Test before investing

4

## Finalize & Implement

- ✓ Negotiate pricing
- ✓ Review legal terms
- ✓ Plan implementation
- ✓ Train your team

Think long-term value

# Implementation and Training

## Setup & Configuration

- ✓ Define compensation rules
- ✓ Configure user roles & permissions
- ✓ Integrate with existing systems
- ✓ Customize dashboard & reports

## Support & Maintenance

- ✓ 24/7 technical support access
- ✓ Regular system updates
- ✓ Data backup & security protocols
- ✓ Performance monitoring

## Team Training Strategies

- ✓ Role-based training modules
- ✓ Video tutorials & documentation
- ✓ Hands-on practice sessions
- ✓ Feedback collection & improvement

## Measuring Success

- ✓ Track adoption rates
- ✓ Monitor commission accuracy
- ✓ Analyze user satisfaction
- ✓ Calculate ROI & business impact

# ROI and Future Considerations
